

El objetivo de esta actividad es que los niños puedan ir adquiriendo conciencia sobre los diferentes sonidos que componen las palabras mediante la identificación del sonido inicial silábico.

Pinta la imagen que comienza con la misma sílaba que la imagen que contiene el cuadrado

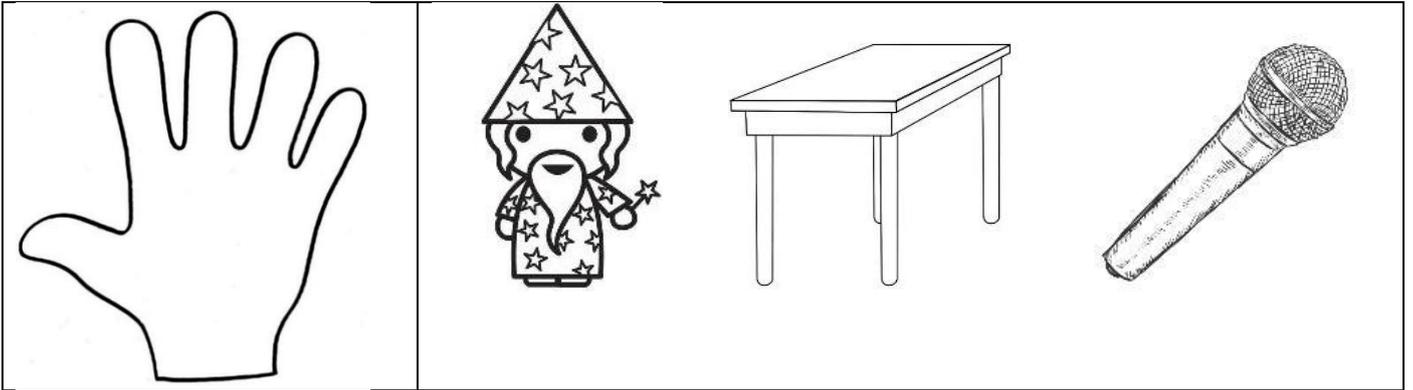

1°

 CABALLO			
-----------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

2°

 TOMATE			
------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

3°
